EXPERIENCE

Freelancer | Fiverr
STARTED IN MARCH 2020 – PRESENT

Leveraged HTML, CSS, and JavaScript expertise during internships at various companies, developing high-quality code for diverse projects. Created custom websites for clients, provided leadership to junior web developers, and completed programming projects adhering to coding standards. Built databases using Python and collaborated with back-end developers to resolve issues. Integrated back-end data, developed e-commerce strategies, and managed virus reports and online tips. Additionally, volunteered at TECH MINDS, where I developed forensic tools, conducted security audits, and demonstrated leadership and problem-solving skills in various tech initiatives (4 YEARS OF EXPERIENCE).

Teacher | Shelley Hall School of Science
